

This is Victoria.

Victoria used to live in a residential home.

Victoria now lives in a flat.

Victoria wanted to help people learn.

Victoria did some training to help people learn.

Victoria ask NAPPI if she could help people learn.

NAPPI said yes.

Victoria goes to lots of different places to help people learn.

Victoria travels by train.

People like hearing Victoria's story.

It helps them to understand.

Victoria is happy that her story is heard.

People who work in residential homes understand more.

They learn how to help other people.
